Construction activity

A number of major developments are under way on campus in 2015. Visit deakin.edu.au/fmsd for more information.

Parking

Parking availability on campus can be limited, particularly at the start of Trimester 1. We encourage you to consider alternatives such as the intercampus shuttle bus and the BVAC car park and ride service, public transport, cycling or carpooling.

Visit deakin.edu.au/life-at-deakin/get-to-deakin

or ptv.vic.gov.au

To park on campus, you will require a parking permit. Please note that buying a permit allows you to park in defined zones but does not guarantee that a space will be available. Different permits apply in different areas so please follow the signs. Long term permits can be purchased from Deakin Central. Daily permits can be purchased using the PayByPhone parking app or from parking permit vending machines located in car parks. See  icon on map for parking permit vending machine locations.

For further parking information, please visit deakin.edu.au/parking

Smoke-free Deakin

Deakin University proudly provides a smoke-free environment on all its campuses. Visit deakin.edu.au/smoke-free for more information.
